

## The Norris Girls Audition Script

This scene includes GEORGY and DAD, having a conversation over Skype while he is away. [Scene directions in brackets.]

*[GEORGY sits down in front of the computer and looks at DAD.]*

DAD: Hello, Gorgeous.

GEORGY: Hi Dad

DAD: You look great.

GEORGY: Ha! You look brown.

DAD: Not surprised. I'm out in the sun all day. How's things, Georgy?  
Miss you like mad.

GEORGY: Me too. I'm training hard every morning. When I run, I think  
about you running with me.

DAD: Wouldn't I just love that. Can't do much running out here.

GEORGY: Is it dangerous?

DAD: Too hot.

GEORGY: And dangerous?

DAD: Don't worry about that. I'm careful and we're well protected.

GEORGY: Ken Bradley is fed up with me.

DAD: Why?

GEORGY: He wanted me to train on Saturday mornings, but that 's when I've got netball at school.

DAD: Can't argue with that.

GEORGY: He did.

DAD: Ken's bark is worse than his bite. Keep running well and he'll come round. When's the first cross country?

GEORGY: Next Saturday. Netball in the morning, cross-country in the afternoon. I'll be exhausted.
