

## The Norris Girls Audition Script

This scene includes KATIE and DAD, having a conversation over Skype while he is away. [Scene directions in brackets.]

*[KATIE is sitting in front of the computer where her dad is waiting to talk to her. She's nervous and unsure what to say. She's cuddling her toy dog, Buster.]*

DAD: Hello Pickle.

KATIE: Hello

DAD: Who's that you've got there?

KATIE: Buster.

*[KATIE holds Buster up to the camera.]*

DAD: Woah, he looks a bit fierce close up. Does he bite?

*[KATIE laughs and shakes her head.]*

DAD: So what have you been up to, Princess?

*[KATIE shrugs and doesn't know what to say.]*

DAD:           Nothing?

*[KATIE shrugs again.]*

DAD:           School OK?

*[KATIE nods.]*

DAD:           You been to the stables?

KATIE:         No, because Paige is doing gymkhanas and she doesn't want me to ride  
                  Thistle.

DAD:           Oh, that's too bad.

KATIE:         But I've done a competition to win a pony.

DAD: Win a pony! I bet Buster would be jealous.

*[KATIE laughs and holds up Buster.]*

KATIE:         Dad?

DAD:           Yes, love?

KATIE:         You look a bit dirty!
